REQUEST FOR PROPOSAL

Notice is hereby given that Community Consolidated School District 181 (the District) requests proposals for the LED Replacement/Retrofit for Clarendon Hills Middle School, 301 Chicago Avenue, Clarendon Hills, IL. The District's objective in issuing this Request for Proposal (RFP) is to provide a means in which to select a single qualified contractor (Qualified Contractor) for an LED Replacement/Retrofit Project. Proposals will be received until 10:00 am on Friday, March 15, 2019 at the District Office, 115 W. 55th Street, Clarendon Hills, IL 60514, at which time proposals shall be publicly opened. Proposals must be in accordance with Article 19b of the Illinois School Code and the RFP guidelines. For more information contact Mr. Mike Duggan, Director of Facilities, 115 W. 55th Street, Clarendon Hills, IL 60514, (630)-861-4983 mduggan@d181.org.

Proposals submitted must be sealed and clearly marked with "LED Replacement and Retrofit for Clarendon Hills Middle School" and addressed to Mr. Mike Duggan, Director of Facilities at the above address. Proposals must be either hand delivered to the District Office, or mailed certified return receipt requested and received any time prior to, but no later than 10:00 am, Friday, March 15, 2019. The District cannot assume the responsibility for delayed postal deliveries and does not recognize postmarks as representing the fact that a proposal has been "received" by the District before the specified deadline. Proposals received after the time specified in the Request for Proposals (RFP) will not be considered.

Interested parties are asked to contact the Director of Facilities if a site visit is necessary.

The District reserves the right to terminate this project prior to bids being received, to reject any and all proposals and to be the sole judge of the value and merit of the proposals offered.

Upon review of the proposals received in response to the RFP, the District may enter into a contract with the provider that best meets the needs of the District.

The District reserves the right to waive any irregularities, reject any and all proposals and to be the sole judge of the value and merit of the proposals offered.

Mike Duggan, Director of Facilities
Proposal Content & Format

Proposals must be submitted in the format outlined in this section. Each proposal will be reviewed to determine if it is complete prior to actual evaluation. The District reserves the right to eliminate from further consideration any proposal deemed to be substantially or materially unresponsive to the requests for information contained herein.

Executive Summary

For the purposes of this project, the District intends to take advantage of the ComEd Energy Efficiency Program, specifically the “Standard/Custom Incentives: January 1, 2019 - December 31, 2019” guidelines provided and attached. All contractors shall calculate and provide, as a part of their proposal, all applicable and available incentives for this project, including the 20% bonus rebate for projects completed between January 1, 2019 and June 30, 2019. The District will provide the applicable “Exclusive Public Sector ComEd 20% coupon.” A copy of the “ComEd Energy Efficiency Program Facility Assessment” for Clarendon Hills Middle School is attached for informational purposes only.

Contractors shall include a concise abstract stating the Contractor's overview of the project.

Contractor shall provide and include in their pricing all required lift usage charges.

Project pricing and detailed breakdown, including all applicable available incentives must be submitted on a form provided by the District herewith on pages 19 - 20 and titled “Project Pricing and Breakdown - LED project CHMS.”

Illinois Law

Qualified Contractor shall provide background on the Illinois code governing performance contracting in Illinois schools.

Company Profile

This section of the proposal should contain the following information about the Qualified Contractor:

1. Company name, address, location of regional office and corporate headquarters, telephone number, email address, and main contact person who would be assigned to District 181.
2. Company history, including a description of the core business(es) and any local
experience in the LED replacement/retrofit market.

3. Company qualifications.
4. Project references are to be that of the Qualified Contractor, not Qualified Contractor employees.

Other

It is recognized that, for the protection of the students, all persons coming in contact with the students must be of stable personality and of high moral character. Therefore, Contractors' employees will consent to a criminal background check, including fingerprints, at Contractor expense. The responsibility for completing the background check, and for hiring and discharging personnel in respect to all of the foregoing shall rest entirely upon the Contractor. The Contractor shall not permit the use of liquor, drugs or smoking material at the work site used to provide services under this Contract. All staff of the Contractor shall be neatly attired. Contractor shall furnish and all Contractor's employees shall be required to wear and display photo identification at all times while at the worksite and providing services, on behalf of the Contractor, to the District.

Contract Requirements

General

1. Cost for Proposal Preparation. The District is not liable for any costs incurred by respondent in preparing or submitting a proposal, or in preparing the contract or for any other fees incurred to submit proposals.

2. Right to Submitted Material. All responses, inquiries, or correspondence relating to or in reference to the RFP, and all other reports, charts, displays, schedules, exhibits and other material submitted as part of a proposal will become property of the District when received.

3. Competitive Offer. Pursuant to State law, and under penalty of perjury, the signer of any proposal submitted in response to the RFP thereby certifies that this proposal has not been arrived at collusively or otherwise in violation of either federal or state antitrust laws.

4. Warranty. The District expects that all projects recommended and equipment replaced will have normal manufacturers or construction warranties appropriate to the project. The District does not expect the extension of additional warranties beyond those indicated unless the individual project dictates such extension.

5. The parts and materials bid must be of current date (latest model). This provision excludes surplus, re-manufactured and used products except as an alternate bid or as specifically identified in a cover letter attached to the bid documents.

6. All equipment and material bid shall be in accordance with all applicable Federal, State
and local laws, rules and regulations in effect at the time of bid.

7. The brand name and/or manufacturer of each item proposed must be clearly stated. Guarantee and/or warranty information must be included with this bid.

8. All Municipal, County, and State of Illinois Sales Taxes and Federal Excise Taxes, which are NOT applicable to sales to the District, must be excluded from the bid prices.

9. Timing of the project is a part of the consideration and must be stated in definite terms where indicated on the bid sheet. If delivery or performance is not made within the specified time, the District reserves the right to cancel the order or any portion thereof without penalty or premium to the District.

10. In the event that a strike or other reason causes interruption of work for more than five work days, the District shall have the immediate right to terminate the Contractor, secure such other contractor as may be necessary, and pay for only those services, work and materials completed or already purchased by Contractor for the project, at the time of the termination.

11. In the event the Contractor is unable to provide the services or work as described in the contract or accepted bid because of acts of God, fire, riot, war, or civil commotion, the District shall have the right to excuse the Contractor from performing hereunder, and shall have the immediate right to take over all work.

12. Should an accident ever occur, the Contractor will immediately notify the District giving all information known at the time, in writing, with time, place, location, nature of accident and injury or damage to District property.

13. Should an act of vandalism occur on or to the project, work, materials or equipment, the Contractor shall fix or repair all damage as quickly as possible. The District is not responsible for vandalism.

14. All bids submitted must be valid for a minimum of 60 days after the date set for the bid opening.

15. Any explanation, statement or alternate which the bidder wishes to make must be placed in the same envelope with the proposal but shall be written separately and independently of the proposal and attached thereto. Unless the bidder so indicates, it is understood that the bidder has bid in strict accordance with the specification requirements. Alternate bids will be considered only secondarily to the contract specifications. Any alternates submitted must be thoroughly detailed to merit consideration.

16. No contract shall be assigned or any part of the same sub-contracted without the written consent of the District, but in no case shall such consent relieve the Contractor from its obligations, or change the terms of the contract.

17. The officers of Contractor who have signed this Contract covenant and represent that the Contractor is duly authorized to conduct business in the State of Illinois and that they have authority to execute and deliver this Contract on behalf of the Contractor.
Errors and Omissions

All proposals shall be submitted with each space properly completed. The special attention of Qualified Contractors is directed to the policy that no claim for relief because of errors or omissions in the proposal will be considered, and all Qualified Contractors will be held strictly to the proposals as submitted. Should Qualified Contractors find any discrepancies in, or omissions from, any of the documents, or be in doubt as to their meanings, they shall email any questions to Mike Duggan at mduggan@d181.org, and an addendum will be issued with the necessary clarifications to all prospective Qualified Contractors by means of email.

Withdrawal of Proposals

Proposals may be withdrawn by letter, email, or in person prior to the submittal deadline.

Investigation of Qualified Contractors

The District will make such investigation as necessary to determine the ability of the Qualified Contractor to fulfill their proposal. The Qualified Contractor shall furnish such information as may be requested and shall be prepared to show completed installation of equipment, types of service or supplies similar to those included in their proposal.

The Board of Education reserves the right to reject any proposal if it is determined that the Qualified Contractor is not properly qualified to carry out the obligations of the contract.

Reservation of Rights by the Institution

The District will be the sole interpreter of all contract documents, and reserves the right to make its own assessment of proposals received; to reject any and all bids/proposals; to waive irregularities and technicalities in the proposals; to further negotiate details of the contract after award of the contract; and to award the contract based upon the criteria established herein. Conditional proposals will not be accepted. All items shall be new unless otherwise specified. By submitting a proposal Qualified Contractors agree to mandatory binding arbitration on all proposed LED Replacement/Retrofit project disagreements.

The Board of Education does not assume responsibility for delayed postal deliveries and does not recognize postmarks as representing the fact that a proposal has been "received" by the District before the specific deadline.
Labor Laws and Ordinances

The Qualified Contractor shall obey and abide by all the laws of the State of Illinois relating to the employment of labor and public work and all ordinance and requirements of the District regulating or applying to public improvements.

The Qualified Contractor shall execute RFP attachments in their entirety and include them with their proposal.

The successful bidder will be required to comply with the provisions of all State of Illinois and federal laws concerning public works projects as well as the State of Illinois Human Rights Act and the regulations of the Illinois Human Rights Commission. The Contractor shall at all times observe and comply with all laws, ordinances, regulations and codes of the federal, state, county and other local government agencies, which may in any manner affect the performance of the Contract. Contractor hereby agrees that this contract shall be performed in compliance with all requirements of the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., and that the contractor and its subcontractors shall not engage in any prohibited form of discrimination in employment as defined in that act. The Contractor shall maintain, and require that its subcontractors maintain, policies of equal employment opportunity which shall prohibit discrimination against any employee or applicant for employment on the basis of race, religion, color, sex, national origin, ancestry, citizenship status, age, marital status, physical or mental disability unrelated to the individual's ability to perform the essential functions of the job, association with a person with a disability, or unfavorable discharge from military service. Contractors and all subcontractors shall comply with all requirements of the Act and of the Rules of the Illinois Department of Human Rights with regard to posting information on employees' rights under the Act. The Contractor and all subcontractors shall place appropriate statements identifying their companies as equal opportunity employers in all advertisements for workers to be employed in work to be performed under this contract.

Not less than the prevailing wage shall be paid for labor on the work to be done as required by law. The Contractor, as part of its agreed upon contract sum under the Contract, and if applicable to Contractor's employees and staff, shall be responsible for the payment of prevailing wages to its workers, as required by the Illinois Prevailing Wage Act, as amended, including any changes in the in the prevailing wage during the term of the Contract. Contractor shall also be fully responsible for meeting all requirements under the Prevailing Wage Act, including the requirement to provide a certified payroll, as follows:

1. While participating on public works, the contractor and each subcontractor shall:
   a. make and keep, for a period of not less than 3 years, records of all laborers, mechanics, and other workers employed by them on the project; the records shall include each worker's telephone number when available, social security number, classification or classifications, the hourly wages paid in each pay period, the
number of hours worked each day, and the starting and ending times of work each day; and
b. submit monthly, in person, by mail, or electronically a certified payroll to the District. The certified payroll shall consist of a complete copy of the records identified in paragraph (1) of this subsection (a), but may exclude the starting and ending times of work each day. The certified payroll shall be accompanied by a statement signed by the contractor or subcontractor which avers that: (i) such records are true and accurate; (ii) the hourly rate paid to each worker is not less than the general prevailing rate of hourly wages required by this Act; and (iii) the contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class B misdemeanor.

2. Upon 7 business days' notice, the contractor and each subcontractor shall make available for inspection the records identified in paragraph (1) of subsection (a) of this Section to the public body in charge of the project, its officers and agents, and to the Director of Labor and his deputies and agents. Upon 7 business days' notice, the contractor and each subcontractor shall make such records available at all reasonable hours at a location within this State.

Workers' Compensation Insurance

The Qualified Contractor shall procure and maintain, during the life of this agreement, Workers' Compensation Insurance in accordance with the Workers' Compensation Act of the State of Illinois, adequately protecting all labor employed by the Qualified Contractor during the life of this agreement and shall provide evidence to the District that such insurance is, in fact, in force. Workers Compensation Insurance in an amount no less than $1,000,000 each accident, $1,000,000 disease each employee, $1,000,000 disease policy limit.

Comprehensive General Liability Insurance

The Qualified Contractor shall procure and shall maintain in effect, during the life of this agreement, Comprehensive General Liability in an amount no less than $2,000,000 each occurrence, $2,000,000 products/completed,$1,000,000 aggregate for Bodily Injury Liability, $1,000,000 each occurrence for Property Damage Liability. In addition, Comprehensive General Liability Insurance shall include coverage for Personal Injury Liability (including employment related suits), Independent Contractor's Liability, Blanket Contractual Liability and Products and Completed Operations Liability.

Comprehensive No-Fault Automobile Liability Insurance

The Qualified Contractor shall procure and maintain in effect, during the life of this agreement, Comprehensive No Fault Automobile Liability Insurance with residual limits of $1,000,000 each occurrence for Bodily Injury and Property Damage Liability, $1,000,000 Uninsured and
Underinsured Motorist Insurance and $5,000 per insured auto medical payments. Such coverage is to include Employer's Non-Owned and Hired Liability and is to cover all vehicles owned, leased, operated by, or for, or on behalf of the Qualified Contractor.

**Umbrella Liability Insurance**

The Qualified Contractor shall procure and maintain in effect, during the life of this agreement, an Umbrella Liability Policy which will apply in addition those insurance coverage specified above. Such policies shall have a limit of liability of $5,000,000 for each occurrence and $5,000,000 aggregates.

All insurance shall be written with a Best's Insurance Rating of no less than A-8 Class VIII. All such policies of insurance shall be primary and noncontributory and shall name the District as an additional insured. All property damage liability insurance must be on a replacement coverage basis and also include actual expense incurred on the loss of use of any such tangible personal property. All such policies of insurance shall include coverage under the Scaffolding Act and shall be written by companies approved by the District. All insurance shall be continuously maintained throughout execution of the project and update as needed throughout the project. All such policies shall require at least 30 days advance written notice to the District in the event of a proposed non-renewal, cancellation, modification of any kind and/or expiration of the term. If the District is damaged by the failure of the Qualified Contractor to maintain such insurance or by the application of deductible or failure of the insurance company to pay in full any claim, then the Qualified Contractor shall bear all reasonable costs properly attributed thereto.

**Indemnification**

Certificates of Insurance evidencing all of the above reference coverage shall be delivered to the District by the Qualified Contractor upon the execution of the final agreement and shall include a clause which states that the Qualified Contractor shall defend, indemnify and hold the District and its Board of Education, its officers and employees (hereinafter "Indemnities") harmless from any and all claims and judgments to which the District and Indemnities may be subjected or which it may suffer or incur by reason thereof.

Additionally, the Qualified Contractor agrees to indemnify, defend and hold the District and Indemnities harmless from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, arising out of, connected with, or resulting from the negligence or misconduct of the Qualified Contractor or its employees or other agents in connection with its activities within the scope of this agreement, insofar as any such loss or claim is not covered by available insurance proceeds. The duty to indemnify will continue in full
force and effect notwithstanding the expiration or early termination of this agreement with respect to any claims, based on facts or condition which occurred prior to termination.

Bonds and Insurance

The successful proposer will be required to execute a bond with sureties acceptable to the District; bond to be executed to the District and to be continued for the faithful performance and fulfillment of the ECM projects and to include the protection of the District from all liens and damages arising out of the work.

Each bid must be accompanied by a bid bond, cash, or a certified check payable to the order of, Community Consolidated School District 181 certified by a responsible bank for an amount not less than ten percent (10%) of the total amount of the bid, as a guarantee that the bidder, if awarded the Contract, will furnish a satisfactory performance and payment bond, execute the Contract and proceed with the work. Said performance and payment bond shall be furnished within seventy-two (72) hours after notification of award in an amount not to exceed one hundred percent (100%) of the net bid price. Upon failure to do so, the bidder shall forfeit the amount deposited as liquidated damages and no mistakes or errors on the part of the bidder shall excuse the bidder or entitle the bidder to a return of the aforementioned amount. All damage to or defective equipment shall be the responsibility of the Contractor.

Each insurance company shall agree not to terminate, amend or reduce its coverage without at least thirty (30) days prior written notice to the District and Contractor, and to include this clause in the insurance policy and in the certificate of insurance. Should the Contractor’s insurance be canceled or amended in a manner unsatisfactory to the District or reduced, the District may provide alternate coverage, the cost of which will be reimbursed to the District by the Contractor. Any loss or costs not covered by the aforesaid insurance policies because of "deductibles clauses" shall be assumed and paid for by Contractor. The Contractor shall present certificates of insurance to the District with its bid giving evidence of the insurance coverage providing existing coverage as specified to run concurrently with the term of this Contract.

The comprehensive liability and umbrella coverages required herein shall be provided on an "occurrence basis"

Insurance policies required under this agreement to be carried by the Qualified Contractor shall state that they shall not change or cancel without thirty (30) days’ prior written notification to the District. Upon written request at any time prior to or during the term of this agreement, the District and shall be named as an additional insured under any or all insurance policies required to be maintained by the Qualified Contractor and shall be provided with insurance company certificate certifying that such policies are in full force and effect.
Standards of Service

The Qualified Contractor will maintain and operate equipment in a manner that will provide the proper standards of service and comfort for the school buildings. Specific lighting levels shall be maintained per code and the Illinois Life Safety Code for Public Schools (lighting measurements to be taken with curtains closed at desk height).

The Contractor is not an agent of the District and the Contractor shall not be held or deemed in any way to be an agent, employee, or official of the District, but rather an independent contractor furnishing services for the District. Employees of the Contractor shall not in any case be regarded as employees and/or agents of the District. In the event any employee or group of employees or other third parties are asserted to be co-employees of the Contractor and District, District shall be entitled to contest such assertion with counsel of its choice.

Arbitration

Any dispute, controversy or claim arising out of or in connection with relating to this agreement or any breach or alleged breach hereof, shall, upon the mutual agreement of both parties involved, be submitted to and settled by arbitration at the locality where the District's facilities are situated in conformance with rules of the American Arbitration Association then in effect (or at any other place or under any other form or arbitration mutually acceptable to the parties). Any award rendered shall be final and conclusive upon the parties, and a judgment thereon may be entered in the highest court of a forum, state or federal, having jurisdiction. The expenses of the arbitration shall be borne equally by the parties to the arbitration, provided that each party shall pay for and bear the cost of its own experts, evidence and counsel.

Compliance with Law and Standard Practices

The Qualified Contractor shall perform its obligations hereunder in compliance with any and all applicable federal, state and local statues, laws, rules and regulations, including applicable licensing requires, in accordance with sound engineering and safety practices and in compliance with any and all reasonable rules of the District relative to its facilities. The Qualified Contractor shall be responsible for obtaining all governmental permits, consents and authorizations as may be required to perform its obligations hereunder. Illinois Prevailing Wage Act shall be applicable to and utilized by the Qualified Contractor in the performance of all work on the project.
Other

No LED Replacement and Retrofit for Clarendon Hills Middle School Contractor participated in the preparation of the specifications issued by Community Consolidated School District 181.
