

Employee Code of Professional Conduct

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others. In addition, the [Code of Ethics for Illinois Educators](#), adopted by the Illinois State Board of Education, is incorporated into this Code of Professional Conduct. Any employee who sexually harasses a student, willfully or negligently fails to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/1 et seq.), engages in grooming as defined by 720 ILCS 5/11-25, engages in grooming behaviors, violates boundaries for appropriate school employee-student conduct, engages in sexual misconduct as defined in 105 ILCS 5/22-85.5, or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the Code of Ethics for Illinois Educators, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.

2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, Title IX Sexual Harassment Grievance Procedure; 4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors; 5:90, Abused and Neglected Child Reporting; and 5:100, Staff Development Program.
