

District 181 Language Arts & Social Studies Criteria 2019-2020 •
Mid-Year Class Movement Grades 6-8 (Quarter 1/Semester 1)

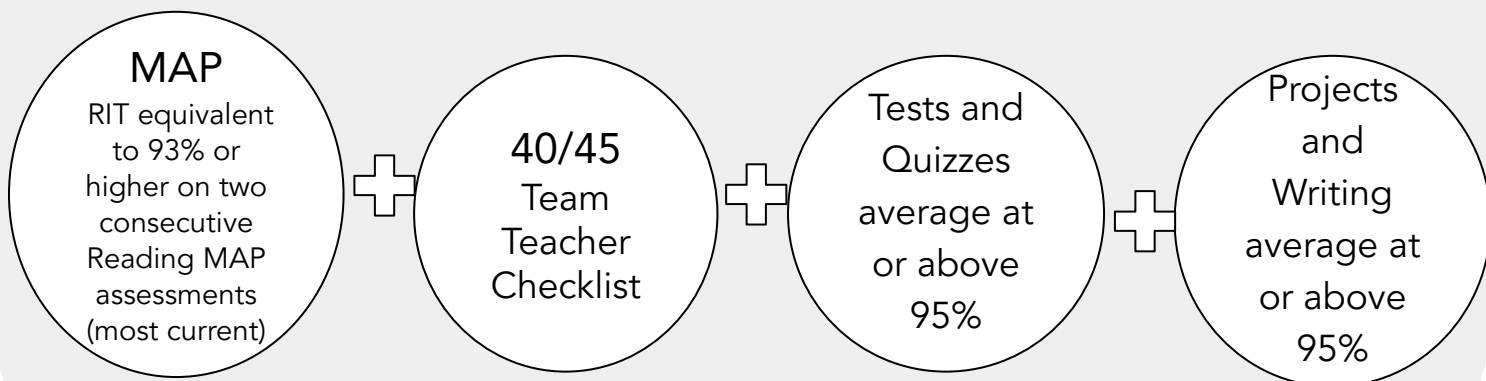

Enriched Language Arts

All three requirements listed below must be met for movement.

Social Studies ACE

All four requirements listed below must be met for movement.

Students whose scores did not meet the criteria in the spring for fall placement must meet all criteria for mid-year movement. Students must maintain a high level of performance in an advanced or accelerated course as reflected in their overall quarter grade. Teachers will collaborate and work with students and parents if a student's quarter test and quiz average falls below 80%. If a student's quarter test and quiz average falls below 70% for two quarters, the student will be placed in a course that more effectively meets their learning needs. However, students may be moved out sooner as determined by the team.
