

Community Consolidated School District 181: Facilities Master Plan Break-Out Stations - May 19, 2015

1. Community Partnerships and "Big Ideas"
 - a. Led by Superintendent Dr. Don White
 - b. A discussion on the importance and value of partnerships with various community organizations in future planning for Hinsdale Middle School. The small group discussion could include questions, concerns, and ideas related to how the District is working with such groups now and how that work could grow in the future. Attendees may also want to discuss the "Big Ideas" proposed by District staff, such as a fitness center / walking track, or a greenhouse / community garden.
2. HMS Learning Spaces
 - a. Led by HMS Principal Ruben Peña
 - b. A discussion on the various learning spaces within Hinsdale Middle School, including labs, music rooms, and standard classrooms. The small group discussion could include questions, concerns and ideas related to the current challenges of instruction in the building and the needs and desires proposed by staff, as shared in the Space Planning handout.
3. HMS Design / Exterior
 - a. Led by Night Custodial Supervisor Mike Duggan
 - b. A discussion on the look and design of Hinsdale Middle School's exterior if renovated or rebuilt. The small group discussion could include questions, concerns, and ideas related to how the building could be renovated or newly constructed on its current property. Attendees may also want to share thoughts specifically related to green space.
4. HMS Parking and Entrances / Exits
 - a. Led by HMS Dean of Students Rocky May
 - b. A discussion on the current parking situation at Hinsdale Middle School and the ongoing issues of parking we foresee. The small group discussion could include questions, concerns and ideas related to short-term and long-term solutions to parking challenges. Attendees may also want to discuss building entrances and exits and how those impact the school currently.
5. HMS Operations / Systems
 - a. Led by Facilities Coordinator Mike Vilendrer
 - b. A discussion on Hinsdale Middle School "behind the scenes." The small group discussion could include questions, concerns, and ideas related to needed building improvements and future considerations.
6. Facilities Master Plan / Non-HMS Facilities
 - a. Led by Assistant Superintendent of Information Services and Operations Ken Surma
 - b. A discussion on the Facilities Master Plan as presented by Dr. White and Mr. Surma. The small group discussion could include questions, concerns, and ideas related to building needs other than HMS, and the Facilities Master Plan components.

Community Consolidated School District 181: Facilities Master Plan
