INFORMATION & TERMS DEFINED

District 181's decision-making about a possible shift in learning model is informed and driven by several factors: the DuPage County Department of Public Health and DuPage County Regional Office of Education framework for use in school districts, local health data, internal metrics, and factors such as staffing and facilities. This dashboard is a collection of internal data. These metrics are updated weekly at 4 p.m. on Mondays and include data up to the previous Friday. Exceptions made for non-student attendance days.

TERMS DEFINED

Cumulative Total: We began tracking complete staff and student absence data with consistent coding starting Sept. 28, 2020, and are reported through the Friday prior to Monday posting. Positive cases have been tracked since the first day of school, Sept. 8, 2020, and are reported through the Sunday prior to Monday posting.

Staff: Teachers, staff members, and administrators. As of October 2020, we have 561 staff onsite.

Student: A student grade K-8 who is enrolled in in-person learning. As of October 2020, we have 3,148 total in-person students.

Absences: Days where an individual was unable to participate in in-person learning due to COVID-related symptoms, identification as a close contact, or a positive COVID test. Staff absences also include leave due to Emergency Family Medical Leave Act for COVID-related reasons.

Sibling Absences: Students who required to stay home because their sibling has COVID-related symptoms, been identified as a close contact, or has received a positive COVID test.
