

Grades 6-8: Hybrid Sample Schedules

 <p>Synchronous Learning (SL) - Occurring at the same time - live instruction and learning with students and teachers interacting in the classroom environment.</p>	 <p>Asynchronous Learning (AL) - Occurring at different times - recorded instruction, and self-guided learning time.</p>	 <p>Independent Learning (IL) - Occurring when students are practicing and applying skills learned during synchronous and asynchronous instruction. This learning consists of independent practice. Homework may also be assigned.</p>
